

REMARKS

Applicants appreciate the Examiner's thorough review of the present application, and the allowance of Claims 22-31. Applicants likewise appreciate the indication that Claims 7-10 and 16-18 are directed to allowable subject matter. Applicants have amended the Title to address the objection to the Title in the Official Action.

I. The Claim Amendments

The Official Action indicates that Claims 16-18 are directed to allowable subject matter. Applicants have amended Claim 12 to include recitations similar to the recitations of original Claim 17. Applicants slightly revised the recitation of Claim 17 to make Claim 12 a true "product claim" recitation. In light of these amendments to Claim 12, Applicants respectfully submit that Claim 12, and Claims 13-21 which depend directly or indirectly therefrom, are in condition for allowance for the reasons set forth on page 6 of the Official Action with respect to original Claim 17. Applicants have cancelled Claim 17 in light of the amendment to Claim 12.

Applicants have also amended Claims 1, 3, 7 and 9-11. Claims 2 and 4 have been cancelled. In light of the above-described claim amendments, Applicants respectfully submit that all of the pending claims are in condition for allowance. Applicants have also added new dependent Claims 46-49.

II. Conclusion

Applicants submit that the present application is now in condition for allowance, which is respectfully requested.

Respectfully submitted,
